The Valley Council of Governments is a public agency. Any information provided may be subject to disclosure. The credit information will be provided directly by the Applicant to the underwriter and is not considered part of this document but may be subject to disclosure pursuant to Connecticut General Statutes Section 1-200 et. seq. The Applicant hereby grants permission for VCOG staff to contact the LEP to discuss the environmental information provided to the VCOG and to obtain a credit review. The receipt of the pre-application and review of the information provided does not insure that a loan or grant will be made. All loans and grants are subject to the review and approval of the VCOG Board of Directors and the EPA.

The Applicant understands and acknowledges that this pre-application is for Informational Purposes Only in order for the Valley Council of Governments to have an opportunity to review the information to determine eligibility, qualifications, etc.

The Applicant acknowledges that the above is understood and accepted and hereby requests a review of this pre-application.
